Saturday 14th August

Visitor survey

Information and Photos

Dear All,
Last time I wrote we were just starting spring and now we're well into summer,
time sure flies by!

Nothing like a good wallow in the mud—toad in Catlin's pond!
The hot weather continues so maybe we'll all be following suit.

We said a fond farewell to Lorna in May before she went off to the land of CBC

What is this man digging for I wonder?

Photos by kind permission of J.Pitts, S.Squire & M.Willis

As you know without your help we as a trust could not continue so a huge thank you from us all.

Tasks begin at 10:00am and finish around 4.00pm and can be subject to change.
Wear old clothes and strong (preferably steel toecap) footwear.

The Forest Office,
Haynes West End, Bedford, MK45 3QT
