CONDITIONS OF HORSE RIDING PERMIT, ASPLEY WOODS

1. This permit is personal to the named holder and must not be transferred to any other person without the prior written consent of The Greensand Trust.
2. The permit holder shall be responsible for ensuring that he or she is adequately covered by insurance for use of the land under this permit. This must include himself/herself, the horse, any person using the access routes under a permit and public liability indemnity of at least £5,000,000. **A copy of the policy showing these details should be attached with the application.**
3. The permit holder shall not interfere with any person's lawful enjoyment of the land, and shall not use the access routes in any way so as to endanger any other member of the public using the access routes.
4. The permit holder shall reimburse the grantor in respect of any damage (other than wear and tear of access routes as a result of normal use under this permit) caused to the land by himself/herself, the horse and any person using the land under this permit.
5. The permit holder whilst using the access routes must at all times clearly display the means of identification provided by the grantor. Should such means of identification be lost or mislaid the permit holder must inform The Greensand Trust, Brickhill Road, Heath & Reach, Beds, LU7 0BA. A £2.00 charge will be made for a replacement means of identification. Persistent failure to display the means of identification may result in the withdrawal of the permit.
6. Where a permit is issued to a private individual the permit holder is licensed to use the access routes within Aspley Woods on horseback for recreational purposes only. Use in connection with the permit holder's business or profession is not covered.
7. Where a permit is issued to a riding centre, school or other organisation the permit holder is licensed to use the access routes within Aspley Woods on horseback for recreational, or business, or professional purposes. The Grantors reserve the right to restrict the number of access routes which can be used for business or professional purposes. Business or professional use means the riding of horses used for such purposes by a riding centre, school or other organisation, or pony trekking. The permit holder shall not engage in any race or trial on the access routes, and shall not cause any such race or trial to take place.

I hereby apply for a Permit as above to run from 1st September 2007/1st March 2008 to 31st August 2008. I agree to abide by the bye-laws and the conditions of the Permit, and only to ride on tracks within Aspley Woods designated for use by horse riders.
